

Cypriot American Community Survey

You are invited to participate in the Cypriot American Community Survey sponsored by the Federation of Cypriot American Organizations (FCAO) and supported by the Government of the Republic of Cyprus.

This survey is an opportunity to help shape our community's future.

Your responses will provide us with valuable information and a collective understanding of how to strategically move the organization forward and engage the community in new and effective ways to preserve the Cypriot culture, Greek identity, and to promote the interests of Cyprus. FCAO will use the data to analyze trends, reach conclusions, and make informed decisions to ensure that programs, activities, and events implemented by the FCAO meet the needs of the community.

The survey is comprised of questions on topics of interest, such as place of birth, ethnic group, and generation. Your participation is entirely voluntary, and it will take only a few minutes to complete the survey. To determine broad coverage of the Cypriot American Community, we will employ community outreach.

Do your part to help and support your community by participating in the Cypriot American Community Survey.
